

IowaWORKS Loess Hills ECI

HOME BASE IOWA

Iowa is known for its friendliness and welcoming nature, so no matter where you land, you'll be at home! But, some of Iowa's counties and cities have gone the extra mile for veterans and transitioning service members by becoming Home Base Iowa Communities.

HBI Communities offers additional incentives above and beyond the statewide benefits. These communities have at least 10 percent of area businesses committed to hire veterans. Additionally, HBI communities offer resources from local veteran organizations, businesses, economic development organizations and schools to assist veterans and their families to feel at home.

IowaWORKS Loess Hills ECI groups will host Jason Kemp, Home Base Iowa Program Manager to discuss the benefits of becoming a Home Base Iowa Business, how to register, as well as how the program can assist your business with talent recruitment.
